

## Open House Urban Growth Boundary Review

The Planning Commission will hold an open house on December 14, 2005, at 7:00 p.m. in the City Council Chambers at City Hall, 163 E. Gower Street. The purpose of the open house is to present the preliminary results of the Planning Commission's analysis of the need to expand the City's urban growth boundary to meet the City's projected growth for the next twenty years, and to obtain public comment on issues related to the accommodating that projected growth.

The Planning Commission's is particularly interested in obtaining views on the extent to which the City should attempt to accommodate projected growth by permitting or encouraging more intensive development within the existing urban growth boundary and what types of amendments to existing zoning standards are appropriate.

The Planning Commission is also interested in obtaining views on the types of modifications to the Zoning Code that should be considered in order to make housing more affordable in Cannon Beach.

Specific background materials for the meeting will be available December 1<sup>st</sup>. These materials will be available on the City's web site at [www.ci.cannon-beach.or.us](http://www.ci.cannon-beach.or.us).
