INTRODUCTIONS AND PRESENTATIONS

(1) Greater Ecola Natural Area Plan Update By Katie Volke

Mays reviewed that Katie Volke, Greater Ecola Natural Area Plan Committee Member, is present to provide an update regarding the proposal for the Plan.

Volke reviewed the history of the proposal and noted that Cannon Beach has always been a City aware of its natural resources.

Council noted their support for the idea.

(2) Western Oregon Waste (WOW) Rate Review Report and Requested Policy Changes

Laura Leebrick, WOW Representative introduced WOW Representatives Joe Cook, Chief Financial Advisor and Dave Larmouth, Rate Analyst. See noted that a replacement letter has been distributed and is before the Council.

WOW representatives reviewed their report with Council. Cook noted that in addition to the CPI (Cost of Living) adjustment, the rate will include a 1.16% adjustment to reflect Cannon Beach's share of the Household Hazardous Waste Surcharge.

In response to a question from Morgan regarding wind-locks, WOW and Council discussed their options. WOW agreed to prepare a proposal for the installation of wind-locks on all of the City's recycling and waste receptacles and proceed with the discussion at a future work session.
