

CANNON BEACH PARKS AND TRAILS MASTER PLAN

HOW TO HAVE FUN IN CANNON BEACH

Cannon Beach is developing its first ever Parks and Trails Master Plan. The plan will provide direction for repairs, upgrades, and future investments in parks and trails throughout the community.

WE HAVE BEEN GATHERING SUGGESTIONS ALL SUMMER. COME AND SEE THE IDEAS PEOPLE ARE TALKING ABOUT.

Please join us at our next open house.

Here are some highlights from the new ideas:

- Multi-use path to bypass the Haystack Hill curves on Hemlock
- Reinvent Tolovana State Park
- Upgrade a number of beach accesses - signage, parking, benches . . .
- Public kayak launch to enjoy a nice paddle down Ecola Creek
