The City will maintain a roster of property owners who are interested in obtaining a transient rental permit for a dwelling unit. A property owner may place his or her name on the roster at any time. When an opportunity for a new transient rental permit arises, the City will select a name from the roster by means of a random selection. The person so selected will have 180 days to obtain a transient rental permit for a qualifying property. If the person so selected does not obtain a transient rental permit within 180 days, a new name will be selected from the roster by random selection.

A person who holds a transient rental permit shall not be permitted to hold a vacation home rental permit.

The maximum period of time that a person may hold a transient rental permit obtained by means of random selection is five years. At the end of the five year period, a new a transient rental permit holder will be selected by means of random selection as described above.
