

AMERICANS WITH DISABILITY ACT STATEMENT OF COMPLIANCE

The ADA is a federal law enacted in 1990, and 2008 ADA Amendments, that prohibits discrimination against individuals with disabilities in employment, public accommodations, state and local government operations, transportation and telecommunications.

Under the ADA, it is unlawful to discriminate in employment against individuals with disabilities, or to refuse to accommodate the known disability of an otherwise qualified individual, unless to do so causes undue hardship. The City of Cannon Beach will work to ensure that there is no discrimination against a qualified individual with a disability in services or activities provided. The City is committed to accommodate the known disabilities of its employees and citizens and is working to make the City a place where all can live and work.

The ADA requires that the City's services and activities be accessible to persons with disabilities. The City's employees and citizens with ADA-related questions, concerns and grievances should contact the ADA Compliance Coordinator by calling (503) 436-8050 or TTY (503) 436-8097. The City will work to resolve all grievances for employees and citizens.
