BULLETIN NO. 1

CB ELEMENTARY REJUVENATION PROJECT

The city has finished the initial round of public input for the CB Elementary Rejuvenation Project. Results can be found on city's project webpage located below. The online suggestion form is still available if you wish to provide additional input, however we will not be providing any more live input sessions at this time.

CB Elementary Rejuvenation Project

Mayor Steidel provided a vision for this project at the 2/10/2021 meeting which is currently being vetted. The plan can be found on the CB Elementary Rejuvenation Project website.

Council also authorized staff to proceed with engineering estimates to repair the roof while we work through the project design plans. Our goal is have the existing structures dried in before the rains return in October.

Cannon Beach
is now a
"Safe Zone"
for birds and
wildlife.

Fireworks scare
our birds,
sea life, elk,
pets, bunnies,
and our wildlife.

Fireworks cause
a serious fire
hazard with dry
summers a big
concern.

Please join us in embracing this new law.
