**Agenda Date:** January 10, 2024

**Prepared by:** Bruce St. Denis, City Manager

## BACKGROUND

During Good of the Order at the December 12th work session, Council requested Sea Turtles Forever submit an invoice to the city with the following information from their clean up season:

- How many people worked
- How many hours were worked
- What the rate of pay was
- Have the works been paid
- If the workers have been paid, what was the funding source for the payment
- How much microplastics were collected

## ANALYSIS/INFORMATION

Executive Director, Marc Ward submitted Attachment A in response to this request.

The fiscal year 2023-2024 budget has \$10,000 for Beach Plastic Remediation, with no specific recipient designated.

## RECOMMENDATION

Council to provide direction to staff.

## List of Attachments

A Sea Turtles Forever Invoice

STF/Blue Wave was asked to submit an invoice for work done in Cannon Beach during the summer of 2023.

It was our understanding that the Cannon Beach Budget Committee approved an \$11,000 budget line item for microplastic removal operations. We would like to receive these funds to cover our budget deficit from 2023 and earmark any remaining funds for the 2024 season.

During the 2023 season we knew we were going to be under budget without these funds and could not hire a needed additional worker that would have improved our operations.

We will be once again struggling to secure the necessary funds for operations during the 2024 season so any additional funds would be greatly appreciated. We have been dedicated to sustaining the beaches in the Cannon Beach area for 13 years and this is why Cannon Beach has the cleanest beaches in Oregon.

Thank you for your continuing support.

Received

I have been asked for information regarding STF/Blue Wave microplastic removal operations in Cannon Beach, Oregon for the 2023 year.

**How many people worked:**

Five people worked over the course of the summer but only 3 worked full time due to budget restraints.

**How many hours were worked:**

A total of 788 hours were worked not including the volunteer hours put in by Marc Ward. Marc Ward volunteered for the first two months of operations and then received a salary of \$1500.00 per month when grant funds became available.

**What was the rate of pay:**

The rate of pay for our Team Leader on the beach is \$23.00, team members receive \$20.00 and Valerie Schokelt was at \$18.00. Marc received \$1500.00 per month salary for three months of operations but actually made \$7.00 per hour (Form 132).

**Have the workers been paid:**

All workers have been paid.

**If the workers were paid what was the funding source for the payment.**

We have a financial report that outlines where the funds came from and what our expenses were. We received 4 small grants and donations from Cannon Beach businesses. We also receive some donations from outside of the area that are earmarked for operations in Cannon Beach.

**How much microplastics were collected:**

Total debris collected was 2607.47lbs. and as usual a large percentage of that came from Whale Park where we removed 1301.47lbs.

A Lifeguard Budget – Clarification dated 12/13/23

Date: 12/13/2023  
 To: Bruce St. Denis, City Manager  
 From: Marc Reckmann, Fire Chief  
 Re: Lifeguard budget - Clarification

Last night there were questions about the Lifeguard budget, I was caught off guard and was not able to formulate a response. Once I got home, I was able to see the spreadsheet and could answer clearly.

Asking for \$50,000 to start the program. This will pay for the lifeguards and equipment through July 1.

3-year contract of \$265,000 annually. The Fire District completely takes the program.

\$57,490 is the fixed cost for Materials and Capital - \$207,510 is for personnel services.

**Lifeguard budget (TOTAL PERSONNEL \$348,112)**

- Personnel Services Estimated
  - Captain/Head Guard (\$154,338, full cost of position)
    - Salary \$85,444
    - PERS \$32,358 (could be less depending on when start in PERS and Tier of PERS; 37.87% or 32.93% - budget is based on 37.87%)
    - FICA \$6,536
    - Health Insurance \$30,000 (based on family plan, could be less depending on how many insuring)
    - **Dedicated to Lifeguards 2/3 time estimated at \$101,863**
  - Lead Guards (based on \$25 per hour for 6 months, 40 hours a week, 2 lead guards)
    - Wages \$51,960
    - PERS \$19,677 (could be less depending on PERS status)
    - FICA \$3,975
    - **TOTAL \$75,612**
  - Season Guards
    - Wages \$87,260 (23 per hour, 22 week, 10 hours per day, 7 days per week, 3 guards per day; minus \$19,000 for shifts covered by overtime)
    - Overtime \$30,000
    - PERS \$44,406
    - FICA \$8,970
    - **TOTAL ESTIMATED \$170,637 (highly variable based on number of guards, PERS, and the season)**

The District will give a report to the City in July of each year showing the personnel services for the Fiscal Year. If less than \$207,510; that amount will be deducted from the \$265,000 given for that budget year. Anything over the \$207,510 in personnel services would be district responsibility.

**Supplemental Report - Property Tax****1st Quarter 2023**

Attached to this report is historical data on the City of Cannon Beach and Cannon Beach Road District's assessed value and property taxes to be received. Also, attached are summaries of data for assessed value of property and tax rates for the City of Cannon Beach and county-wide cities, for the tax year 2023-2024.

Assessed value for the City of Cannon Beach is \$1,130,534,798 an increase of 3.58% from the prior year.

Tax amounts to be received in the General Fund from the permanent rate are \$796,914 and from bonded debt are \$455,606, for a total of \$1,252,520. Please keep in mind that these amounts will be reduced by discounts, uncollected taxes, and other reductions. The total amount to be received last year was \$1,199,265. The Road Fund amount to be received is \$292,808 and was \$282,681 in the prior year.

Taxpayers pay \$.7049 per 1,000 of assessed value for the permanent rate assessed. The current year bonded debt tax rate is \$.4030 per 1,000 of assessed value and changes every year depending on the amount levied. Last year, the bonded debt rate was \$.3939.

Historical collection rates by county are posted each year and the rates for Clatsop range from 94.3% in 2017-2018 to 95.2% in 2021-2022. If we use a collection rate of 95.2% of the total imposed taxes, the General Fund should see an excess of \$4,269 in property tax revenue compared to budget. The Debt Service fund should see an excess of \$21 compared to budget and the Road Fund would see an excess of \$1,569 compared to budget.

For every one million of assessed value added, the City's permanent rate would raise an additional \$704.90 of property tax revenue, annually.

Taxpayers in Cannon Beach pay taxes (to all jurisdictions) of \$2,349.40 on property assessed at \$200,000. Part of that amount, \$1.1079 per 1,000 of assessed value (.7049 (permanent rate) + .4030 (debt service) = 1.1079) is paid to the City which amounts to \$221.58. The Road portion paid to the city would be \$.259 per 1,000 of assessed value and would total \$51.80.

Receipt of current property tax revenues begin in late October or early November.

# CANNON BEACH CITY COUNCIL

## STAFF REPORT

### SIGNATORIES FOR FINANCIAL INSTITUTIONS

---

**Agenda Date:** January 10, 2024

**Prepared by:** Laurie Sawrey, CPA  
Finance Director

## BACKGROUND

There is a need to review authorized banking signatories as provided in Resolution No. 20-07. Staff proposes changing the authorization to “staff positions” rather than individually named staff. This will allow bank signature cards to be updated immediately to reflect the new staff member when there is staff turnover making the transition process from one staff position to another very efficient and timely.

Staff proposes naming the following staff positions as signatories on all council approved financial institutions of the city:

City Manager  
Finance Director  
Chief of Police

Currently, the city uses two council approved financial institutions, Umpqua Bank (formerly Columbia Bank) and the Local Government Investment Pool.

## ANALYSIS/INFORMATION

No fiscal impact.

## RECOMMENDATION

Staff recommends adoption of a Resolution For the Purpose of Repealing Resolution 20-07 and authorizing signatories for financial institutions approved by the City Council of Cannon Beach.

Please advise staff is council wishes to consider adoption of a Resolution which we will bring the resolution back on February 6, 2024.
