Found Property

People frequently turn in property to the police department that they have found. If the owner does not claim the property within 90 days of being turned in, the department will send the property to [PropertyRoom.com](https://www.propertyroom.com) for auction, with the proceeds being deposited in the City general fund.

If the value of the property is over \$250 and you want to keep it, [Oregon law 98.005](#) requires that you give notice to the County Clerk within 10 days of the finding and advertise your finding in a local newspaper once a week for two weeks within 20 days. If no one claims the property within three months, you may keep it.
