

Power Outage

News Release Date

04-12-2024

Pacific Power will be continuing its work to address a major issue with vital equipment impacting a major circuit that serves Cannon Beach. In order to finish making repairs, Pacific Power will be taking an emergency interruption, Sunday, April 14th, starting at 10:00pm and lasting until 06:00am on Monday, April 15th (if repairs are completed early, power will be restored upon completion). Impacted customers will receive an outbound call from the Pacific Power call center. All customers north of Sunset Blvd through Ecola State Park will be impacted.

Updates can be found on the Pacific Power website at:
